End Of Year Retirement Review

With less than two months left in 2023, it's a great time to perform a retirement review of your SamCERA account on the MySamCERA member portal. Log in to your account at www.mysamcera.org to review the important information listed below:

Contact Information - Be sure to check your email address, mailing address, and the phone number(s) listed on your account. This is especially important to do before we mail 1099-R tax forms at the end of January.

Monthly Benefit Statement - Every month that you receive a benefit payment, you will also receive a benefit statement in your MySamCERA account. Paper copies of your benefit statements are only mailed in December, January, and April, but you can view and print them online anytime.

Tax Withholdings - You can change your tax withholding election anytime throughout the year by completing a Tax Withholding form (available at www.samcera.org/forms).

Beneficiary(ies) - If you've experienced a life event such as a marriage or domestic partnership, the death of an existing beneficiary, divorce, or an adoption or birth of a child, it's important to update the beneficiary(ies) listed on your SamCERA account. You can review your beneficiaries and update this information using the MySamCERA member portal or by completing a Beneficiary Designation Form (for retired members).
